

NEW CONSTRUCTION: Commercial

PROJECT

Belgrade Head Start

Belgrade, MT

DESCRIPTION

The Belgrade Head Start project was constructed with a condensed schedule of just 3.5 months. The project consists of 4 classrooms, full kitchen, offices and mechanical space on a single level. The Early Learning Center was constructed to exceed all State of Montana Child Care Licensing requirements on a minimalist budget.

HIGHLIGHTS

-  **Size:** 5384 Square Feet
-  **Completion Date:** August, 2016
-  **3.5 month construction schedule**
